Main Restaurant

Description

- The main restaurant is the main dining area of the property, offering an excellent culinary experience throughout the day. The restaurant is open from the morning to serve breakfast (a la carte with no extra charge) and serves lunch & dinner menus in the form of à la carte, allowing guests to choose from a range of freshly prepared dishes.
- Throughout the day, guests can enjoy a variety of upgraded Greek and Mediterranean culinary delights, while the dinner menu is even more upscale, elevating the culinary experience even further.
- Special emphasis is placed on pure ingredients and local produce, enhancing authentic Cretan Organic gastronomy and promoting the property's philosophy of supporting local production.
- The restaurant space will be fundamentally open and the design approach to the space includes the use of tables of different sizes, aiming to enhance interaction and conversation between guests. Due to the small size of the space, the sense of intimacy and closeness is further enhanced as diners will be near each other during the meal.

The restaurant serves the guests special dinners on the beach

Menu Direction

- The menu is based on local Cretan recipes with organic ingredients, enriched with a modern twist that highlights traditional flavours with innovative touches. Traditional dishes such as gammopilafo, stuffed zucchini flowers and dakos are reinterpreted in new ways, offering a dining experience that marries the old with the new. Guests can taste authentic Cretan flavours such as pure olive oil, local cheeses and fresh vegetables, combined with innovative cooking techniques that take local gastronomy to a higher level.

- Special emphasis is placed on varieties and menus for two, four, six+ people, encouraging guests to 'eat together' by connecting the dining experience with the accommodation's narrative. Menus can be sold per person (with a minimum order of two or more) and can include small plates of appetizers, salads and, most importantly, almost everything on the restaurant's menu.

- The local wines complement the menu perfectly as they include varieties such as Vidiano, Assyrtiko and Kotsifali, which accompany the menu dishes harmoniously, while local beers and raki complete the culinary experience.

The restaurant's relaxed layout promotes a friendly **service style** that makes guests feel comfortable and familiar while maintaining a polite distance to respect their privacy. -

The restaurant is **famous for** 'eating-together' philosophy, offering pre-designed menus for 2, 4, or 6+ people that foster social connection and community through shared dishes and experiences

The restaurant's **signature element** is its stunning beach view, creating a unique coastal atmosphere where guests can relax and enjoy their meal.

The restaurant **connects with the concept** through its menus that emphasize local recipes and multicultural heritage, complemented by the 'eating-together' philosophy and warm design, embodying Cretan hospitality and promoting social interaction among guests.

Pool/ Snack Bar

Description

- The Pool/ Snack Bar is the main meeting point for guests, inviting them to start their day or relax after a busy day. This central location makes the Main Bar the hub of the property's social life, offering easy access and prompt service to guests.

- The Pool/ Snack Bar operates on an à la carte model, offering selected and high-quality products with a focus on drinks and beverages, while also offering an all-day menu of snacks, finger food and Ouzo meze.

- The bar serves both the pool area and the private beach, ensuring that guests can enjoy their favorite drinks and snacks in whichever area they choose to relax

- The design of the space follows the overall direction of the property, incorporating bold colors, textures and materiality. The use of concrete block gives a modern feel, while wood details add warmth and natural elegance. Low built-in tables with colorful poufs completes the experience, creating an inviting space where guests can sit comfortably and enjoy a drink or meal.

Menu Direction

The menu highlights light and refreshing poolside options with seasonal ingredients and creative flavors, alongside signature cocktails inspired by Cretan drinks like raki.

The Pool/ Snack Bar is **famous for** its signature cocktails made with local ingredients and fresh fruits, served in large pitchers that encourage sharing and enhance the communal atmosphere.

The main bar's **signature element** is its small low tables and poufs, which create a comfortable and relaxed layout that fosters social interaction.

Indoor Spa

Description

- As well-being is inextricably linked to Cretan culture and the demands of modern travellers, the property incorporates an indoor spa area, which offers a luxurious experience of relaxation and rejuvenation.

- The spa includes a massage room, sauna and a nail salon, and provides private massages and unique face & body treatments using natural ingredients from Crete.
- The design of the space combines modern aesthetics with natural materials, creating an elegant and serene environment that invites guests to enjoy moments of total relaxation and well-being.
- The rooms incorporate relaxing background music, while natural tones and aromatic oils enhance the sense of well-being. Design details, such as soft fabrics and soft lighting, help create an environment of total calm and relaxation.

Service Style

The Indoor Spa offers service that meets high standards while remaining friendly and approachable, emphasizing discretion and respect for guest privacy to enhance relaxation.

Famous for

The spa is celebrated for its treatment using local products like Cretan olive oil and aromatic herbs, providing guests with an authentic connection to the island's rich wellness tradition.

Signature Element

The spa's signature feature is its impressive walls made of wooden and stone slabs, which blend traditional and contemporary motifs, creating a serene and luxurious atmosphere enhanced by soft lighting.

Connection with the Concept

The Indoor Spa embodies Cretan culture's emphasis on wellness by incorporating local products and natural ingredients into its treatments, merging tradition with modern luxury for a unique guest experience.

Indoor Gym

Description

- The property's Indoor Gym is a modern and fully equipped sports area that offers guests the opportunity to maintain their physical condition during their stay.
- It features state-of-the-art equipment such as treadmills, elliptical machines, exercise bikes and weights, meeting the needs for aerobic exercise, strengthening and muscle toning.
- Operating on an extended timetable and through selected time slots of 30-45 minutes, the gym is used autonomously by residents, who can 'book' the space through the Reception or their in-room tablets, to avoid overcrowding and ensure a pleasant stay and exercise in the space.

- At the same time, the property allows guests to request the services of a personal trainer, through an external partner, either for a single session or for the duration of their stay, tailoring a personalised exercise and rejuvenation programme.
- The design of the gym is elegant and functional, with clean lines and comfortable spaces that encourage exercise in a pleasant environment. Large windows allow natural light to flood the space, offering a sense of well-being and rejuvenation.
- For the convenience of guests, towels, bottled water and individual lockers for the safe storage of personal belongings are also provided.

The gym is famous for its smart, interactive screens that offer personalized workouts and virtual reality (VR) experiences, transforming a small space into an immersive fitness journey.

The gym's **signature element** is the large indoor plants in elegant clay pots adorned with traditional motifs, which create a calming atmosphere and enhance the sense of well-being during workouts.

Connection with the Concept

The gym reflects the Cretan culture's emphasis on personalized attention and care, providing a unique wellness experience that fosters authenticity and a connection to one's inner self.
